Annual Report of TKREC – 2018

In the Annals of Teegala Krishna Reddy Engineering College, each Annual Report marks a mile stone in the progress of this Institution, already thirteen years in the service of true education. It gives me an opportunity to share the hopes, the desires, and the pre-occupations of TKREC with you, who are in a special way, our well-wishers. As the Principal of this great institution, I am happy to present this Annual Report on Curricular, Co-curricular & extracurricular activities of the college for the academic year 2017 – 2018.

This academic year also there has been a steady improvement in all areas including infrastructure, academics, extra-curricular activities, placement and confident that we will experience success in the coming year that reflects upon our core values.

The present annual intake is above 780 with 5UG programmes, 24 with 1PG programme & 540 with 4 Diploma programmes. State of the art laboratories and workshops have been set up in all the departments.

The students performance in the University & SBTET Examinations has shown considerable improvement and got better results than the university & SBTET average result for all the years of B.Tech & Diploma.

Faced NBA Inspection for UG programmes & the committee approved Accreditation for CSE & EEE for three years which is a mark of excellent team work by Management, Principal, Deans, HODs, Faculty, students & all stake holders.

We faced FFC Inspection by JNTUH & SBTET for the affiliation for 2018-19 and got appreciation by the committee for the untiring efforts and zeal performed by one and all who were involved.

As part of the quality improvement programme many of the faculty is undergoing Doctoral programmes in various universities. K.Saritha, Associate Professor (Mathematics) & K.Merlin Kumari, Assistant Professor (English) of H&S Dept achieved Ph.D degree in 2017 from JNTUH & Nagarjuna University. Faculty members from all the depts. of the college have attended national seminars / conferences / training programmes / refresher / orientation courses / workshops as a part of updating their knowledge and skills in the subject concerned. Recently few faculty members got admission for PhD in JNTU, OSMANIA & GITAM.

We have taken measures to build systems for continuous improvement of Curricular and Co-curricular ambience with sustainable quality. The following are some of the notable activities conducted by the depts. during the academic year 2017-18 for educational enrichment, quality enhancement and for inculcation of interpersonal human skills in the college.

A three day Annual day celebration, Orientation Programme for the first year Diploma & B.Tech students, 71st Independence Day, Ayudha pooja & Bathukamma celebrations, Yoga & Swatch Bharat awareness rally by NSS, Blood donation camp by CE dept., Meditation by Heartfulness for I B.Tech students and Faculty, 69th Republic Day & Women's day celebrations were held in the college.

Our Innovation Cell came up with many start ups. Robot crew-Robotic club organized by ECE Final Year Students conducted classes on regular basis for juniors and developed projects such as "NEURAL NETWORK AUTOMATIC ROBOT" & SMART SECURITY THROUGH LASER COMMUNICATION USING RASPBERRY Pi.

II B.Tech ECE students & IV B.Tech CE student attended the ISRO National workshop on "Challenges & Modern Techniques in Realizing Complex Infrastructure" at ISRO Sreehari kota where they witnessed the launching of Rockets.

CE students have taken great initiative & conducted REIN4Z 2k18 with Industries sponsors & exhibited wonderful working models by many ENGG. College students.

EEE final year students participated in Science fair in mahaboob nagar and got first prize with cash reward of Rs 10,000/

I-BTECH (CSE) students

- Participated in the event of DRONA (IRIS 2017) at IIM INDORE (8th oct 2017) and scored 25.833 in the exam.
- Adopted the integrity pledge and are committed to uphold highest standards of honesty and integrity certificates from CENTRAL VIGILANCE COMMISSION.
- Got certificates as CAMPUS AMBASSADOR which was conducted by IRIS 2017-IIM INDORE during 10-12 Nov 2017.
- Got selected as INTERSHANALA STUDENT PARTNER 9.0(ISP) .
- Got certificates OF ACTIVE STUDENT CAMPUS AMBASSADOR from DRONA 17 & ENVISION 17.

For the final year, in house projects have been made by our faculty members. In the Academic arena, 9 workshops, 8 seminars, 2 guest lecturers & 8 industrial visits were organized by all the depts. during this year.

To encourage and inculcate research attitude in the young minds of students & faculty, the research committee is constituted & several papers have been published by students & faculty in reputed journals. Incentives are given to faculty & students for publishing papers in various journals by the Management as a token of encouragement.

To meet the urge of the student aspirants for decent and happy career after the completion of their courses, faculty are mentoring the students. CRT is given to students through NASCOM & TASK. On-Campus, Off-Campus and Pool-Campus interviews are arranged for Diploma, UG & PG students. Many students have been placed in reputed companies both in the software & core sectors.

The Library has the Decimal classification of 56152 books which is fully automated with New-Gen Lib Software & barcode technology to enable students to access the information. The library has 5937 titles in all disciplines & 10 News Papers. International Journals have been subscribed for Diploma, UG and PG courses through AICTE – INDEST Consortium. IEEE 174 full text Journals (Online access mode), 130 National Journals and 26 General Magazines are directly subscribed through Publishers. E-BOOKS & NPTEL video lectures are also available. 34 Systems are arranged through internet as Digital Library. The students are encouraged to make full use of Central Library, Digital Library & Dept. Libraries which act as the prime source of knowledge enrichment for students and faculty members.

Our College was the test center for many competitive examinations like EAMCET, ICET, PG CET, TSPSC, APPSC, TRANSCO, GENCO, City Civil Court Judges/ Jr. Asst. & TSSPDCL.

Recognizing the importance of Sports and Games as a part of the overall personality development of the students, the Management has established huge infrastructure with continuous encouragement. The students are trained to take part in all the levels and have participated in Zonal and University tournaments and athletic meets under the able guidance of Mr. Jhonson, Ramesh & Madhavi, Physical directors who were the coaches for various matches.

All this wonderful work was done with the support of Management, staff and students. It is only when all of us work together, can really do wonders for our students and build a glorious future for them. I therefore take this opportunity to acknowledge my gratitude to the almighty for showering his blessings on us throughout. I thank the Management, all the members of teaching, non-teaching staff and students who have always stood by me in the effort to keep up the prestige of the college.

Hope to do still better next year with all your support. Thank you.
