INSTITUTION-INDUSTRY CELL (IIIC)

The Institution-Industry Cell acts as a bridge between academia and industry. Its primary mission is to facilitate collaboration, create opportunities for students, promote research and innovation, and enhance employability by aligning education with industry needs. In essence, the IIIC plays a crucial role in connecting the academic world with the practical demands of industries, benefiting students and industry partners alike.

The committee is set to convene biannually, with additional meetings arranged when required

The Institution-Industry Cell will consist of the following members:

S.No.	Name of the Staff	Designation	Position
1.	Dr.KVenkataMurali Mohan	Principal	Chairman
