Item No. 4: Examination Fee Structure and Remuneration for Examination Duties

The BoG approved the examination fee structures and remuneration for various examination duties as the fees for each semester and semester end examinations are moderate.

Item No. 5: Academic Activities : Admissions, Results and Placements

Admissions :

- The BoG members expressed satisfaction over the improvement of admissions in the current academic year.
- They suggested the examination branch to be self-sufficient in economic matters by increasing the intake of students in all the branches including newly introduced courses to get the benefit of autonomy.

Results:

- After the result analyses presentation of the previous University Examinations they suggested that the college to set the target of improving 5 to 10 percent of result in the current academic year and efforts should be put to meet the targets.
- The members opined that improvement of pass percentage in all the branches would help in achieving NBA accreditation for other eligible branches.
- The members approved and suggested to follow the existing evaluation processes including paper setting by outside institutions, double evaluation and marks division in internal and external exams. However, they suggested the exam branch to make an amendment to give choice in internal exam and to take best of two internal exams, instead of the average of them.

Placements

- The BoG suggested a comprehensive analysis of placements with all the details of companies and their salary packages, number of students placed, number of offers for individual students. The BoG further opined that placement ratio plays an important role in attracting more students to the college for seeking admissions in the coming years.
- The BoG members suggested few steps such as rigorous placement training from B. Tech. second year onwards, more opportunities for Industry-Institute Interaction and internships to improve placements in core companies. They also suggested the placement cell to improve collaborations and MOUs with reputed IT companies to give guest lectures and to provide training to students according to industry needs.
- It was also suggested that the data of the placements in each academic year need to be collected in detail including companies visited, , number of students participated in campus drives, salary packages, number of offers for each student, a comparison be made, accordingly.

Item No. 6: Accreditations & Relevant Process

The Governing Body enquired the current status of accreditation process of the institution and encouraged the idea of applying for NBA Accreditation for eligible programs such as ECE and IT. It suggested to intensify the preparation for the Accreditation process.

Item No. 7: Establishment of R&D Centre and Appointment of Coordinator

The Governing Body confirmed the establishment of R&D Centre in the college and Dr. Ch. V. Phani Krishna appointed as Coordinator for the same. The members opined that research activities in the college need to gain momentum and made few suggestions regarding research collaborations with national and international funding agencies.

Item No. 8: Utilization and Allocation of Budget

The Principal presented the annual budget of the college and the Governing Body discussed the requirements in the departments for UG & PG programs. The Governing Body approved the budget upon discussions and suggested to go for audit approvals.

Item No 9: Variation of Intake in Certain Courses

The members of BoG advised to surrender EEE and CE and replace them with emerging courses. They approved the proposal for the reduction of intake in EEE and CE and increase of intake in emerging courses from the coming academic year. The members discussed the norms of autonomy for utilizing the chance of increasing intake in major programs (CSE and ECE) with new courses/specializations. They recommended the college to forward a detailed proposal for the same to JNTUH and AICTE.

Suggestions

The Governing Body made few suggestions regarding rating of the college, electives from AICTE and JNTUH, admissions in postgraduate courses and research activities.

- Design a code for each agenda point of BoG meeting including date, year, meeting number to identify them for future reference
- Give priority to get NIRF Ranking.
- Try to improve star rating of Institutions Innovation Council (IIC) by involving teachers and students in more research activities
- Find out the possibilities of campus internships with reputed companies so that the students have the experience of working on real time projects
- Follow AICTE guidelines to have more flexibility in choosing department electives or open electives depending on students' interests

- Having autonomy, pass percentage of examination results has be moderate
- Try to maintain postgraduate programs M.Tech. and MBA as the college has autonomous status. Encourage students to take admission in Postgraduate courses. Reduce M.Tech. seats from 24 to 18, if admissions are not encouraging.

At the end of the Meeting, the Principal presented to the Board of Governors (BOG) the following details about the faculty members for the academic year 2021-22:

Total Number of Faculty Members Available	Total Number of Faculty Members Who Have Offered Resignations / Resigned	Total Number of Faculty Members (Sanctioned Posts) Required for UG & PG	Additional Number of Faculty Members Required
195	34	216	55

The Principal requested permission from the BOG to fill the sanctioned posts and the BOG granted permission to recruit the required new staff members and advised to recruit a few from the industry.

Item No: 4 Implementation of the Administrative Autonomy and Policies

The Governing Body confirmed the autonomy of administration in the college. The Governing Body approved the Examination Policies for Autonomy and made few suggestions regarding evaluation process.

Examination Policies for Autonomy

1. Following JNTUH system completely for 2020 joining batch.
2. Regulations will be as per JNTUH for 2020 joining batch.
3. Internal Evaluation 25%, External Evaluation 75%.

4. 2 sets of question paper from outside experts and 1 set from internal faculty (will be used in need at moderation)

5. 50% Evaluation by Internal faculty and 50% Evaluation by outside evaluators.

6. Single evaluation system.

7. Recounting, Reevaluation and challenging evaluation system will be incorporated.

Item No: 5 Approval for appointment of Controller of Examination

The Governing body approved the appointment of Dr. K M V Madan Kumar Professor of Computer Science & Engineering as Controller of Examination for smooth conduction of examination processes in autonomy.

Item No: 6 Reduction of Intake and Introducing New Courses

The Governing Body approved the proposal for introduction of new courses from the coming academic year.

1. Approval towards applying 60 intakes in new emerging courses like AI & ML and Computer Science & Design.

Item No: 7 Utilization and Allocation of Budget

The Principal presented the annual budget of the institution and the Governing Body discussed the requirements in the departments for UG & PG programs. The Governing Body observed that the headings in the presentation of the principal are broad and advised to include a report of three years Budget allotted to individual departments and maintain the records to support the utilization. However, the GB members approved the following Budget upon discussions:

Budget Utilization & Allocation

year	Total Budget Allocated (INR)	Budget Allocation for salaries (INR)	Budget Utilized for salaries (INR)	Budged Allocation for Infrastructure (INR)	Budget Utilized for Infrastructure Development (INR)	Budget for Others Allocated	Budget for Others Utilized	Total Budget Utilized
2020-21	213,026,767	147,053,769	-	1,572,943	-	64,400,055	-	-
2019-20	202,882,635	140,051,208	133,382,103	1,498,041	1,426,706	61,333,385	58,412,748	193,221,557

2018-18	185,073,253	160,442,033	152,801,936	2,970,319	2,828,875	21,660,902	20,629,430	176,260,241

Additional Suggestions

The Governing Body made few suggestions regarding faculty development, teaching-learning process, evaluation process and research funding and related activities.

- Apply for accreditation for the postgraduate programs (M.Tech. and M.B.A.), as it will help to achieve 50% of accreditation of total number of courses in an autonomous college.
- Encourage the faculty to improve their qualifications esp. by registering in Ph.D., as highly qualified faculty are also a matter of concern in Accreditation.
- Find out the possibilities of campus internships with reputed companies so that the students have the experience of working on real time projects.
- Try to generate funds for the college through collaborations.
- Student-centered teaching should be encouraged.
- Focus on enhancing employability and Communication skills of the students.
- Try to strengthen R and D Cell with more expenditure on research activities and encourage meritorious students and young innovators with incentives.

At the end of the meeting, The Principal requested permission from the BOG to fill the sanctioned 195 posts and the BOG granted permission to recruit the required new staff members of 28 to meet the required faculty strength and advised to recruit a few from the industry.
