## 5. Examination Automation

The purpose of examination automation is to streamline and improve the entire examination process by leveraging technology to handle various tasks and activities traditionally performed manually.

Teegala Krishna Reddy Engineering College (Autonomous) conducts examinations based on the approved academic regulations. The regulations provide complete details about subject credits, conduct of internal assessment (Mid-term Exam) and semester end examination pattern, question paper pattern, passing criterion, grade computation, award of letter grades, and classification of degree awarded.

Teegala Krishna Reddy Engineering College (Autonomous) Automation Suite is a quality product from BeeS Software Solutions which focusses mainly on examination automation. The Automation System comprises modules covering the activities of the academic, and examination. Primarily, the system has three portals i.e., Faculty, Exam Section and Students. Under every portal we have prescribed modules which are integrated with the Examination Section.

## 6. Examination Reforms

The following new reforms introduced in examinations in addition to the existing security features from the academic year 2022-2023:

- Student Centric Reforms – a new student portal <https://tkrecautonomous.org/BETEPortal/Login.aspx> is provided with SSL certification.
- Parent Centric Reforms - Status alerts through SMS regarding fee notifications, schedules, student information if he is absent in any examination/class.
- Faculty Centric Reforms – Report panel is provided to all the faculty to upload the attendance, to upload mid-term marks.
- HoD Centric Reforms – Branch wise/Course wise/Section wise/Student wise result analysis is provided in the HoDs panel.
- Administration Centric Reforms – On Screen Evaluation.
