## A REPORT ON RECEIVING AN AWARD FROM GOVERNOR

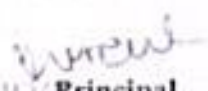

DATE: 14.06.2022  
VENUE: RAJ BHAVAN

Every two seconds, someone needs blood. Blood is essential to help patients survive surgeries, cancer treatment, chronic illnesses, and traumatic injuries. This lifesaving care starts with one person making a generous donation. The need for blood is constant. But only about 3% of age-eligible people donate blood yearly. We can help the society make sure that supply meets demand. Blood donors play a vital role in the healthcare of patients in your community. 37% of the population is eligible to donate blood, yet only 5% actually do.

So with this idea that with every blood donation, we are providing strength, hope and courage to patients and their families in our local hospitals, every year the NSS Unit of Teegala Krishna Reddy Engineering College organizes a BLOOD DONATION CAMP, and in the year 2021-2022 a blood donation camp was organized in association with the Red Cross Society in which nearly 300 samples were donated. As an appreciation of receiving the highest number of blood samples the RED CROSS SOCIETY has invited the NSS UNIT of TKR College of Engineering And Technology to receive the award from the hands of the Governor Telangana state on 14.06.2022 at the program organized at RAJ BHAVAN. The appreciation certificate and the memento were collected by the principals Dr. K.V. Murali Mohan, Dr.Ravi Shankar Garu and the Administrative Officer Shri G.L. Narasimha Reddy Garu. The efforts of the NSS UNIT were well appreciated by the officials on the Dias and congratulated the college for providing such an ambience.

## INTERNATIONAL YOGA DAY

DATE: 21.06.2022

VENUE: TKRES CRCKET GROUND

The NSS unit of Teegala Krishna Reddy Engineering College conducted yoga session on account of International Yoga Day i.e. on 21<sup>st</sup> June 2022 in association with BHARTHIYA YOG SANSTHAN .. The session was attended by staff members, students and NSS volunteers of Teegala Krishna Reddy Engineering College. The session was inaugurated by chairman Shri Teegala Krishna Reddy Garu at 6.00 am. More than 200 volunteers from the NSS unit actively took part in the session. All the participants including staff followed and performed the asanas as told by yogaacharya. The practice session went on for 1 hour with active responses and enthusiasm. The session was very interactive and resourceful providing an insight into yoga and its importance. At the end, there was a question and answer session. All the participants posed their thoughtful doubts and questions about yoga, meditation and mental health. An extensive discussion on tackling the global pandemic with Vedic wellness was the center of attraction of this event. Participants were provided with participation certificate.

## A REPORT ON

### GENDER SENSITIZATION and WOMEN EMPOWERMENT

Date: 03 Jan 2023

The National Service Scheme (NSS) Unit, in conjunction with the Women Safety Wing and the Department of Technical Education, Telangana State, organized a comprehensive awareness program focusing on gender sensitization and women empowerment. Held in the Teegala Krishna Reddy Engineering college auditorium, the event aimed to foster a culture of respect, understanding, and empowerment among students, faculty, and staff.

The program commenced with informative talks delivered by experts from various fields, emphasizing the importance of gender sensitivity and the need for women empowerment in contemporary society. These sessions delved into the root causes of gender inequality and discussed strategies for fostering an inclusive environment.

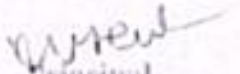

The event also featured workshops and training sessions aimed at equipping attendees with practical skills and knowledge to promote gender equality and women empowerment. Topics covered included communication strategies, bystander intervention techniques, and legal rights awareness.

As part of the program, awareness campaigns were launched both on-campus and in the surrounding community. Posters, pamphlets, and digital media were utilized to disseminate information about gender sensitization, women's rights, and available support services.

## A REPORT ON ENGINEERS DAY CELEBRATIONS

Date: 15.09.2022

The NSS unit of Teegala Krishna Reddy Engineering College celebrated Engineer's Day. The Engineering Community across India celebrates Engineers Day on 15<sup>th</sup> September every year as a remarkable tribute to the greatest Indian Engineer Bharat Ratna Mokshagundam Visvesvaraya (popularly known as Sir MV). He is held in high regard as a pre-eminent engineer of India. "Role of Engineers in developing India" was the theme of the event.

This event is planned to create awareness to students and faculties on the Role of engineers in the development of our Nation. On this day honorable principal Dr. K.V. Murali Mohan gave a lecture on "Role of Engineers in developing India". Around 100 students and faculty members from various departments have participated.

The detailed report is given below: Inaugural function started at 10:30a.m in Seminar Hall. The Inaugural function started with a prayer song sung by NSS Volunteers. The welcome speech was followed by the lighting of lamps by the dignitaries and speakers. The event lasted for 3 hours and lots of knowledge on cutting edge technologies and how engineers can be good engineers and contribute to the nation was inculcated. The overall feedback from students was noted to be excellent.

## A REPORT ON NATIONAL YOUTH DAY

Date: 12/01/2022

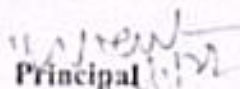

The 153rd Birth Anniversary of Swami Vivekananda is celebrated all over the country giving a message to the youth the way of life and ideals that will make India a better country in future. The NSS Unit of Teegala Krishna Reddy Engineering College organized a vibrant celebration to commemorate the birthday of Swami Vivekananda, a revered spiritual leader and philosopher. The event, held within the college premises, saw active participation from over 200 students who engaged in essay writing and elocution competitions, highlighting the ideas and techniques of Swami Vivekananda.

The NSS Unit of Teegala Krishna Reddy Engineering College observed the National Youth Day with the primary aim of sensitizing the students about the philosophies, principles and ideas of Swami Vivekananda. The students were motivated to be good citizens of India, thus contributing to the development of the country. A lecture was delivered by program officer Mr.K.Kumaraswamy. The inspiring stories of Swami Vivekananda's life briefed to the students by Dr. Jyothi made the session more interesting and captivating. Various activities like Open Mic and Quote sharing were organized to inculcate the ideology of national youth day.

## A REPORT ON CLEAN INDIA PROGRAM

Date: 19/10/2022

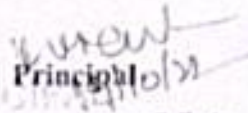

On the 19<sup>th</sup> of October 2022, the NSS volunteers of Teegala Krishna Reddy Engineering College actively participated in a Clean India program organized at College. The initiative aimed to contribute to the Swachh Bharat Abhiyan, a nationwide cleanliness campaign launched by the Government of India, by engaging in community-driven cleanliness activities and promoting environmental awareness. Concurrently with the cleanliness drive, an awareness campaign on the importance of cleanliness, waste management, and environmental conservation was conducted. Volunteers interacted with local residents, educating them about the adverse effects of littering and the significance of maintaining clean and hygienic surroundings.

As part of the initiative to promote waste segregation at source, NSS volunteers encouraged residents to segregate biodegradable and non-biodegradable waste. They distributed bins and provided demonstrations on proper waste disposal methods, emphasizing the need for responsible waste management practices.

More than 180 NSS volunteers garnered significant attention and support from the local community. Residents appreciated the efforts of the volunteers in contributing to the cleanliness drive and expressed willingness to adopt sustainable practices for maintaining cleanliness in the area.

## A REPORT ON TREE PLANTATION PROGRAM

Date: 17/02/2023

The NSS Unit of Teegala Krishna Reddy Engineering College (TKREC) organized a Tree Plantation program, aimed at promoting environmental conservation and sustainable development. This report provides an overview of the program, including its objectives, activities conducted, and the impact on the college campus and surrounding environment.

The primary objective of the Tree Plantation program was to create awareness among students and faculty about the importance of afforestation, biodiversity conservation, and environmental sustainability. The program sought to actively involve NSS volunteers in tree plantation activities and foster a culture of environmental stewardship within the college community.

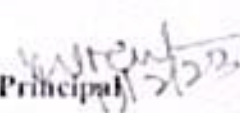

NSS volunteers identified suitable locations within the college campus for tree plantation, considering factors such as soil type, sunlight exposure, and availability of water resources. Emphasis was placed on selecting native species of trees that are well-adapted to the local ecosystem.

On the designated day of the program, 100 NSS volunteers actively participated in tree plantation activities at various locations across the college campus. Volunteers worked in teams to prepare the planting sites, dig pits, and plant saplings with proper care and attention.

**REPORT ON  
HARITHAHARAM PROGRAM**

Date: 17/02/2022

The NSS Unit of Teggala Krishna Reddy Engineering College (TKREC) organized a Harithaharam program, aimed at promoting environmental conservation and sustainable development. This report provides an overview of the program, including its objectives, activities conducted, and the impact on the college campus and surrounding environment.

The primary objective of the Harithaharam program was to create awareness among students and faculty about the importance of afforestation, biodiversity conservation, and environmental sustainability. The program sought to actively involve NSS volunteers in tree plantation activities and foster a culture of environmental stewardship within the college community.

NSS volunteers identified suitable locations within the college campus for tree plantation, considering factors such as soil type, sunlight exposure, and availability of water resources. Emphasis was placed on selecting native species of trees that are well-adapted to the local ecosystem.

On the designated day of the program, 150 NSS volunteers actively participated in tree plantation activities at various locations across the college campus. Volunteers worked in teams to prepare the planting sites, dig pits, and plant saplings with proper care and attention.

**AREPORT ON  
AWARENESS PROGRAM ON ANTI DRUG**

DATE: 03/03/2022

An awareness programme targeting the issue of drug abuse was conducted by the National Service Scheme (NSS) unit of TKREC in collaboration with the Rachakonda Police Commissionerate. The programme aimed to educate and sensitize individuals, especially youth, about the detrimental effects of drug abuse and the importance of maintaining a drug-free society.

The programme commenced with an inaugural session graced by esteemed guests from the Rachakonda Police Commissionerate, faculty members of TKREC, and representatives from various NGOs working in the field of substance abuse prevention.

Interactive sessions were conducted to engage the audience actively. Participants were encouraged to share their thoughts, concerns, and personal experiences related to drug abuse. This facilitated a constructive dialogue and enabled individuals to learn from each other's perspectives.

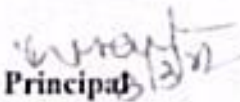

To assess the understanding of the participants, a questionnaire was distributed covering various aspects of drug abuse and its consequences. Additionally, a quiz competition was organized, incorporating facts and trivia related to substance abuse prevention.

The audience of 500 students graced the event. A vibrant glimpse of cultural fetes were displayed and the guests spoke to the students. As their empowering words hovered in the ground the applause of students crackled the atmosphere. After a great interactive session with all the guests many questions were answered. NATIONAL UNITY DAY**

DATE: 31/10/2021

On the occasion of National Unity Day, observed on the 31st of October annually to commemorate the birth anniversary of Sardar Vallabhbhai Patel, the NSS Unit at Teegala Krishna Reddy Engineering College (TKREC) organized a program aimed at promoting unity, integrity, and harmony among the citizens of India. The event sought to honor the legacy of Sardar Patel, popularly known as the Iron Man of India, and to inspire individuals to uphold the principles of unity and solidarity.

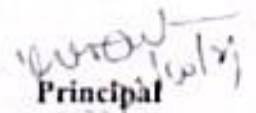

The program commenced with an inaugural session, graced by esteemed guests, faculty members, and 240 members of students of TKREC. The significance of National Unity Day and the contributions of Sardar Vallabhbhai Patel in unifying the diverse princely states into the Republic of India were highlighted.

A tribute was paid to Sardar Vallabhbhai Patel through speeches, poems, and audio-visual presentations showcasing his life, achievements, and visionary leadership. Attendees took a pledge to uphold the values of unity, integrity, and diversity, echoing the spirit of Sardar Patel's vision for a united India. The pledge served as a solemn commitment to work towards bridging communal, regional, and cultural divides and fostering a sense of belongingness among all citizens.

CLEAN INDIA PROGRAM**

DATE: 26/10/2021

On the 26th of October 2021, the NSS volunteers of Teegala Krishna Reddy Engineering College (TKREC) actively participated in a Clean India program organized in Meerpet, Hyderabad. The initiative aimed to contribute to the Swachh Bharat Abhiyan, a nationwide cleanliness campaign launched by the Government of India, by engaging in community-driven cleanliness activities and promoting environmental awareness.

Concurrently with the cleanliness drive, an awareness campaign on the importance of cleanliness, waste management, and environmental conservation was conducted. Volunteers interacted with local residents, educating them about the adverse effects of littering and the significance of maintaining clean and hygienic surroundings.

As part of the initiative to promote waste segregation at source, NSS volunteers encouraged residents to segregate biodegradable and non-biodegradable waste. They distributed bins and provided demonstrations on proper waste disposal methods, emphasizing the need for responsible waste management practices.

More than 180 NSS volunteers garnered significant attention and support from the local community. Residents appreciated the efforts of the volunteers in contributing to the cleanliness drive and expressed willingness to adopt sustainable practices for maintaining cleanliness in the area.

## REPORT ON WEB CASTING PROGRAM

Date: 01 Dec 2020

The Greater Hyderabad Municipal Corporation (GHMC) Elections represent a crucial event in the democratic process of the city. In line with the commitment to transparency and accountability, the GHMC implemented a webcasting program to monitor polling stations during the elections. In this connection the National Service Scheme (NSS) volunteers are participated in the webcasting program for the GHMC Elections in Hyderabad.

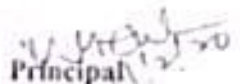

The primary objective of involving NSS volunteers in the webcasting program was to augment the monitoring efforts and ensure comprehensive coverage of polling stations. By engaging volunteers, the aim was to enhance civic participation, instill a sense of responsibility, and promote ethical conduct during the electoral process.

More than 100 NSS volunteers of Teegala Krishna Reddy Engineering College were strategically deployed across polling stations in coordination with election officials. Each volunteer was assigned specific responsibilities, such as setting up cameras, ensuring connectivity, and monitoring the live feeds.

## REPORT ON FUND RAISING CAMPAIGN

Date: 14 December 2020

The NSS Unit of Teegala Krishna Reddy Engineering College (TKREC) undertook a voluntary visit to the Sri Keerthana Foundation Orphanage as part of its community outreach initiatives. This report provides an overview and assessment of the visit, including the activities conducted and the impact on both the orphanage and the college community.

NSS volunteers, along with faculty coordinators, visited the Sri Keerthana Foundation Orphanage to interact with the children and understand their needs and challenges.

The fundraising campaign yielded generous contributions from both students and staff of TKREC. Monetary donations, as well as donations in kind such as clothing, books, and stationary, were collected to support the orphanage. Volunteers ensured transparent and accountable handling of all donations received.

In addition to fundraising, NSS volunteers facilitated interactive sessions and activities with the children of the orphanage. These included educational games, storytelling sessions, and creative workshops aimed at providing joy, encouragement, and companionship to the residents.

## REPORT ON PULSE POLIO IMMUNIZATION PROGRAM

Date: 31 January 2021

The National Service Scheme (NSS) volunteers of Teegala Krishna Reddy Engineering College actively participated in the Pulse Polio Immunization Program conducted at Meerpet. This report aims to provide an overview of the NSS volunteers' involvement, the activities conducted during the program, and the impact on public health in the Meerpet community.

The objective of the Pulse Polio Immunization Program is to eradicate polio by administering polio vaccine drops to children under the age of five. The participation of NSS volunteers in the program aimed to support the government's efforts in achieving universal polio immunization coverage and ensuring a polio-free society.

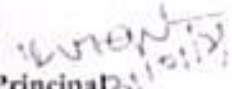

NSS volunteers conducted a public awareness campaign to educate residents of Meerpet about the importance of polio immunization. Through door-to-door visits, posters, and pamphlets, volunteers disseminated information about the vaccination schedule, benefits of immunization, and the significance of achieving polio eradication.

On the day of the immunization drive, 120 NSS volunteers actively participated in administering polio vaccine drops to children at designated vaccination centers across Meerpet. Volunteers followed strict hygiene protocols and ensured the safe and efficient delivery of vaccines to all eligible children.

## REPORT ON TREE PLANTATION DRIVE

Date: 17 Feb 2021

Nature is God's most beautiful creation. It facilitates the growth, development and nourishment of all its creatures. The NSS unit of TKREC took the initiative of environmental awareness to enable the students to enhance their social and emotional growth. A "TREE PLANTATION DRIVE" was organized in the campus. The campaign's main aim was to direct student's minds in constructive activities with positive outcomes through the facilitation of contributing to society.

The students were provided with various saplings including Ashoka, Neem, Belpatra etc. 256 Volunteers participated in the drive enthusiastically and helped each other in planting the saplings. All the saplings were planted in the campus grounds by volunteers. The students along with the teachers also took an oath to look after the planted saplings, plant more and more trees and encourage others to do the same. Some of the students also shared their experiences and shared their joy with others.

## REPORT ON HARITHAHARAM PROGRAM

Date: 22 Feb 2021

The NSS Unit of Teegala Krishna Reddy Engineering College (TKREC) organized a Harithaharam program, aimed at promoting environmental conservation and sustainable development. This report provides an overview of the program, including its objectives, activities conducted, and the impact on the college campus and surrounding environment.

The primary objective of the Harithaharam program was to create awareness among students and faculty about the importance of afforestation, biodiversity conservation, and environmental sustainability. The program sought to actively involve NSS volunteers in tree plantation activities and foster a culture of environmental stewardship within the college community.

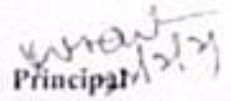

NSS volunteers identified suitable locations within the college campus for tree plantation, considering factors such as soil type, sunlight exposure, and availability of water resources. Emphasis was placed on selecting native species of trees that are well-adapted to the local ecosystem.

On the designated day of the program, 120 NSS volunteers actively participated in tree plantation activities at various locations across the college campus. Volunteers worked in teams to prepare the planting sites, dig pits, and plant saplings with proper care and attention.

### AWARENESS PROGRAM ON MALARIA ERADICATION

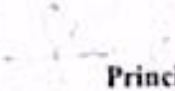

DATE: 1.08.2018

The NSS unit of Teegala Krishna Reddy Engineering College conducted an awareness program in college auditorium on "MALARIA ERADICATION" in collaboration with GHMC, Hyderabad. The program was inaugurated by principal sir and was graced by the staff and students of TKREC. More than 300 students participated in the program. The officials from GHMC took a detailed session for a duration of 2 hours and gave insights about malaria and its prevention. In the session they briefed Malaria as a life-threatening disease primarily found in tropical countries. It is both preventable and curable. However, without prompt diagnosis and effective treatment, a case of uncomplicated malaria can progress to a severe form of the disease, which is often fatal without treatment. Malaria is not contagious and cannot spread from one person to another, the disease is transmitted through the bites of female Anopheles mosquitoes. Five species of parasites can cause malaria in humans and 2 of the species- Plasmodium falciparum and Plasmodium vivax- pose the greatest threat. There are over 400 different species of Anopheles mosquitoes and around 40 known as vector species, can transmit the disease. The session got concluded by felicitating the officials from GHMC by principal and the NSS UNIT.

## A REPORT ON KANTI VELUGU PROGRAM

DATE: 1.10.2018

The NSS unit of Teegala Krishna Reddy Engineering College organized the Telangana Kanti Velugu Program at our college premises on 1.10.2018. The program aimed to promote eye health and raise awareness about the importance of regular eye check-ups among the students and the local community. The Telangana Kanti Velugu Program commenced at 10:00 AM with an inaugural ceremony. The event began with a welcome address by the NSS unit coordinator Mr. K.Kumaraswamy sir, highlighting the significance of the program and its objectives. Dignitaries from local health authorities and eye care professionals were present to support and guide the initiative. A dedicated area was set up for eye screening where trained optometrists conducted comprehensive eye examinations for more than 500 students, faculty, and members of the local community. The screening aimed to detect refractive errors, cataracts, and other eye-related issues early on. Individuals identified with eye problems during the screening were provided with personalized consultation by the attending optometrists. Referrals were made to specialized eye care centers for further evaluation and treatment, if required.
